A BILL

To provide for increased transparency in generic drug applications.

1 *Be it enacted by the Senate and House of Representa-*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Increasing Trans-
5 parency in Generic Drug Applications Act”.

6 **SEC. 2. INCREASING TRANSPARENCY IN GENERIC DRUG**
7 **APPLICATIONS.**

8 (a) IN GENERAL.—Section 505(j)(3) of the Federal
9 Food, Drug, and Cosmetic Act (21 U.S.C. 355(j)(3)) is
10 amended by adding at the end the following:

1 “(H)(i) Upon request (in controlled correspondence
2 or an analogous process) by a person that has submitted
3 or intends to submit an abbreviated application under this
4 subsection for a drug that is required by regulation to con-
5 tain one or more of the same inactive ingredients in the
6 same concentrations as the listed drug referred to, or for
7 which the Secretary determines there is a scientific jus-
8 tification for an approach that is in vitro, in whole or in
9 part, to be used to demonstrate bioequivalence for a drug
10 if such a drug contains one or more of the same inactive
11 ingredients in the same concentrations as the listed drug
12 referred to, the Secretary shall inform the person whether
13 such drug is qualitatively and quantitatively the same as
14 the listed drug. The Secretary may also provide such infor-
15 mation to such a person on the Secretary’s own initiative
16 during the review of an abbreviated application under this
17 subsection for such drug.

18 “(ii) Notwithstanding section 301(j), if the Secretary
19 determines that such drug is not qualitatively or quan-
20 titatively the same as the listed drug, the Secretary shall
21 identify and disclose to the person—

22 “(I) the ingredient or ingredients that cause
23 such drug not to be qualitatively or quantitatively
24 the same as the listed drug; and

1 “(II) for any ingredient for which there is an
2 identified quantitative deviation, the amount of such
3 deviation.

4 “(iii) If the Secretary determines that such drug is
5 qualitatively and quantitatively the same as the listed
6 drug, the Secretary shall not change or rescind such deter-
7 mination after the submission of an abbreviated applica-
8 tion for such drug under this subsection unless—

9 “(I) the formulation of the listed drug has been
10 changed and the Secretary has determined that the
11 prior listed drug formulation was withdrawn for rea-
12 sons of safety or effectiveness; or

13 “(II) the Secretary makes a written determina-
14 tion that the prior determination must be changed
15 because an error has been identified.

16 “(iv) If the Secretary makes a written determination
17 described in clause (iii)(II), the Secretary shall provide no-
18 tice and a copy of the written determination to the person
19 making the request under clause (i).

20 “(v) The disclosures authorized under clauses (i) and
21 (ii) are disclosures authorized by law, including for pur-
22 poses of section 1905 of title 18, United States Code. This
23 subparagraph shall not otherwise be construed to author-
24 ize the disclosure of nonpublic qualitative or quantitative
25 information about the ingredients in a listed drug, or to

1 affect the status, if any, of such information as trade se-
2 cret or confidential commercial information for purposes
3 of section 301(j) of this Act, section 552 of title 5, United
4 States Code, or section 1905 of title 18, United States
5 Code.”.
